e-mail address : francoise.montrichard@univ-angers.fr  
tel : (33)2 4122 5543  
fax: (33)2 4122 5549

### Teaching responsibilities

Head teacher of the first year of the Master “Plant Biology and Technology”  
Director of studies of the Master of Engineering “CMI-Plant Systems Biology”

### Projects

see the BGL team page

### Scientific Career

1990 : PhD thesis, University of Besançon, France  
1991 : Post-doctoral position at the University of Valencia (Spain), supported by a fellowship from FEBS (Federation of European Biochemical Societies)  
1992 : MCF position at the University of Angers, France  
2000 : Habilitation for PhD Supervision (HDR) University of Angers, France  
2010 : MCF-HC

**H-factor: 12**
